Permission to Land Procedures

Pilots must secure permission to land by contacting CBP prior to departure from the foreign port or place and at least two hours in advance of the anticipated arrival time at KMKE.

Permission to land is granted with a tolerance of (+/-) 30 minutes. If your ETA deviates outside those parameters, Previously granted permission(s) are invalid and you must contact CBP to re-secure permission to land.

Inspection Process

- Aircraft should park on the ramp at the FIS.
- A CBP Officer will meet the aircraft on the ramp to escort all crew and passengers to the FIS for processing.
- Be prepared to present passports, visas, customs declaration forms, pilot's license, and other pertinent documents such as medical certificate, aircraft registration, and user fee decal.
- Arrangements for the collection of regulated waste/garbage must be made in advance by contacting an approved handler.
- Passengers can depart directly from the FIS at the conclusion of the inspection.
